This directory represents the most comprehensive inventory of businesses and services in the Jamestown/Mount Olive-Silverstone-Jamestown area of Rexdale. The **Albion Centre** (1530 Albion Road) and the **Rexdale Community Hub** (21 Panorama Court) serve as the two primary commercial and service anchors for this neighborhood. The area's diverse immigrant population—particularly **Somali, Caribbean, and South Asian** communities—is reflected in the abundance of ethnic restaurants, specialty grocery stores, and multilingual services. Many community organizations provide essential services to this low-income neighborhood, including free legal aid, food banks, settlement services, and subsidized healthcare through the Rexdale Community Health Centre.

Note: Business hours, phone numbers, and operational status should be verified directly as they may change. Some small independent businesses may not have online presence.
